

Forever Album

Immortalise your fur kids memories forever with a one of a kind, signature album. A tactile way to tell your love story. Personalised from cover to cover and including 10 or 20 images of your choice. This unique piece will transform any coffee table or mantle piece, creating a talking point for all who enter your home, centred around the love you share with your furkid. Thanks to it's compact nature, take it with you anywhere and treasure it at all stages of life!

Portrait Treasure Box

With the ability to add and remove images at your leisure, the versatility of the portrait box is unrivalled! Perfect for those who don't have much wall space, or simply prefer smaller pieces. Whether you choose to frame some, switch the top image daily, or proudly display your favourite on the included easel for all time, our Portrait Treasure Box gives you the ability to do whatever you want, whenever you want! Boxes can come in Black or White.
